ANNUAL CASH PRIZE DRAW

TERMS AND CONDITIONS

Rules version 2027.1 The Hub Business Network (Pty) Ltd trading as The Hub Get Coupons Company number 2019/142495/07 Cash prize R60,000 Entries open 19 November 2026 Entries close 18 November 2027 at 23:59 (South African time) Draw date 19 November 2027 Telephone: 031 035 1878 Website: www.get-coupons.co.za Address: B3S6 Ingenuity Park, 3 Nandi Mthembu Drive, Ballito, South Africa By taking part in the draw, members agree to these terms and conditions. The draw is intended to comply with the Consumer Protection Act 68 of 2008 and applicable South African law.

1. Who may enter

The draw is open to Get Coupons members who are 18 years or older and live in South Africa. A member must have 12 consecutive successful monthly membership payments and must remain active and paid up when entries close. A missed, skipped, failed, paused or cancelled payment during this draw period disqualifies the member from this draw. Employees, directors, agents, competition suppliers and members of their immediate households may not enter.

2. How entry works

Each qualifying member receives one automatic entry. No separate entry form is required. Anyone may spin the public promotional wheel, but a public spin does not create an entry. An eligible member may use the secure wheel in Member Space to reveal a provisional entry reference. Spinning either wheel is optional and does not improve the chance of winning. The wheel never chooses the winner. No extra fee is charged to enter the draw. The normal membership fee is for Get Coupons membership and benefits and is not increased because of the draw. Entry does not guarantee that a member will win.

3. Closing date and draw date

Entries open on 19 November 2026 and close at 23:59 on 18 November 2027. The draw takes place on 19 November 2027. If the draw cannot take place on that date for reasons outside the Promoter's reasonable control, it will take place on the next reasonable business day and members will be informed.

4. The prize

The prize is R60,000 in cash. It will be paid in South African Rand and will not be reduced by an administration or collection fee. The winner does not have to pay anything to receive the prize.

5. Choosing the winner

One winner will be selected randomly from all valid entries, unless the published prize details state otherwise. The draw will be overseen by an independent accountant, auditor, attorney or advocate. The result is final, subject to confirming that each selected person met the entry requirements.

6. Contacting the winner

The Promoter will try to contact each selected winner using the details on the member's account. A winner must provide reasonable proof of identity, age, South African residence, membership and banking details.

7. Unclaimed or invalid prize

The Promoter will make at least three reasonable contact attempts over ten business days. A

replacement winner may be drawn if a selected person cannot be contacted, declines the prize, does not provide the required information, or was not eligible when entries closed.

8. Payment

The prize will be paid as soon as reasonably possible, and normally within 30 business days after the winner has been verified. Payment will be made to a verified South African bank account or another lawful payment method agreed with the winner.

9. Publicity and privacy

The Promoter may announce the winner's first name, surname initial and province. A winner may decline photographs, interviews or other publicity without losing the prize. Personal information will only be used to run the draw, verify the winner, make payment, prevent fraud and meet legal duties.

10. Fraud and incorrect information

Entries may be rejected where there is reasonable evidence of fraud, false information, duplicate accounts, manipulation or a breach of these terms. Decisions must be made fairly and on reasonable grounds.

11. Changes or cancellation

The Promoter may change, postpone or cancel the draw only where reasonably necessary because of law, fraud, technical failure or circumstances outside its reasonable control. Any important change will be communicated to members and will not unfairly remove rights already earned.

12. Complaints, records and law

Complaints must first be sent to the contact details above. The Promoter will try to resolve them fairly and within a reasonable time. Members may still refer a complaint to the National Consumer Commission or a court. The Promoter will keep the rules, draw records, winner details and proof of payment for the period required by law. These terms are governed by South African law.
